

K- Movie

*The brand new, highly manoevrable & flexible **K- Movie** mobility powerchair from KYMCO Healthcare has been specifically designed to bring you the ultimate in comfort, style & performance. **K-Movie** comes equipped with 2 comfort seating options and many convenient features as standard. Our aim is to enable you to enjoy your everyday life to its fullest. Whether driving indoors where manoevrability is key or driving outdoors where comfort becomes your most important priority, **K- Movie will get you there!***

Some of the Key features that will benefit you are listed below:

- *Comfort captain seating or a multi-configurable adjustable rehab seat, as standard*
- *Large 14"/ 356mm drive wheels & suspension, for a more comfortable driving experience*
- *Jockey wheels with adjustable suspension, to make it easier to overcome obstacles & dropped kerbs*
- *Adjustable flip-up footplate on Comfort Captain Seat version, for easy transfers & superb foot support*
- *Swing-away joystick control, for easy access to desks, work surfaces & tables*
- *Non-marking, puncture free tyres, use indoors & outdoors with no need to worry about punctures*
- *Angle-adjustable / tension-adjustable backrest & comfort seat cushion on the rehab seat, as standard*
- *A fully programmable control system, allows the performance to be set to how you want to drive*
- *50Ah batteries are fitted, for you to enjoy an exceptional 20 mile / 32km driving range*
- *Adjustable & easy to use joystick control, for left or right handed use*
- *Automotive type buckle seat belt as standard, for added safety*
- *Finished in modern & attractive metallic mink*
